Re: Attorney-Douchebag Communication

Dear Champagne Katie,

We are attorneys for Hot Chicks with Douchebags ("HCwDB").

We write concerning your letter of February 28, 2011 wherein you state your intention to "prosecute this site!" However, due to an astonishing lack of punctuation in your writing, we are simply unable to decipher the specifics of your grievance with HCwDB. In any event, after scratching our chin pubes at length, we cannot identify what recognized legal theories, if any, you believe might plausibly support your claim(s).

That said, Champagne Katie (may I call you "Janira"?), we respectfully submit you that have vastly underestimated your own cultural and social importance, as well as the vast educational and artistic merit of your perfect female form and bizarre fondness for full-on douches such as Mr. Billy Dee Willhelm.

Thank you for your attention to this important matter. If you have any questions or concerns whatsoever, Janira, please do not hesitate to contact me personally. Naturally, we would be pleased to party with you and/or your attorneys should you find it necessary to pursue this further. Or even if you just want to hang out sometime and pound shots.

Douche on,

Robert B. Kleinman
